ABOUT US

At Aroha Healthcare, we believe that care is more than a service—it's a connection. Based in the heart of Albany, Western Australia, we provide compassionate, tailored disability support that empowers individuals to live with dignity, independence, and joy.

Our name, Aroha—meaning “love” and “compassion” in Māori—reflects the values at the core of everything we do. We are committed to delivering person-centred care that respects each individual's unique needs, goals, and preferences.

VISION

A community where people of all abilities have the freedom, resources, and confidence to live life on their own terms.

MISSION

At Aroha Healthcare, our mission is to empower individuals of all abilities by providing compassionate and personalised support. We are committed to creating opportunities that enhance independence, foster confidence, and encourage meaningful participation in everyday life.

Through our NDIS-registered services, we aim to promote inclusion, break down barriers, and ensure every participant feels valued and respected. By listening to your goals and tailoring our care to your unique needs.
